Worms Sap Children's Health
 Mothers often wonder why their children are not rugged and hardy. In a vast number of cases the trouble is—Worms.
 Signs of worms are: De-ranged stomach, swollen belly, per lip, sour stomach, offensive breath, hard and full belly with occasional gripings and pains about the navel, pale face of leaden tint, eyes heavy and dull, twitching eyelids, itching of the nose, chap of the rectum, short dry cough, grinding of the teeth, little red spots sticking out on tongue, starting during sleep, slow fever.
 Dr. True's Elixir, the 60 years' time-tried Family Laxative and Worm Expeller, will expel the worms and restore the vim and vigor to your child. No better laxative made for young or old. Mr. Horace Chertier of Belmont, Maine, reports that he buys 12 large bottles at a time, \$55, 60c and \$1.00 at all dealers. Advice free. Special needs for the tapeworms. Send for book. Write to me.
